**CLINIC – PHYSICIAN – PATIENT ARBITRATION AGREEMENT**

\_\_\_\_\_ (“Patient”), engages Gastrointestinal Associates and Endoscopy Center or employee thereof, and each Physician that renders medical care and services to perform services in conjunction with Patient’s medical care. For and in partial consideration of the rendition of any and all present and future medical care and services, Patient agrees that in the event of any dispute, claim or controversy arising out of or relating to the performance of medical services, including but not limited to, patient fees, informed consent, negligence or medical malpractice, between Patient (whether a minor or an adult) or the heirs-at-law or personal representative of Patient, as the case may be, and the Gastrointestinal Associates and Endoscopy Center and each Physician individually, where the claim or the amount in controversy exceeds \$5,000, such dispute or controversy shall be submitted to JAMS (Judicial Arbitration and Mediation Services, Inc.), or its successor, on an arbitration form for final and binding arbitration. All claims for unliquidated damages shall be deemed claims for in excess of \$5,000.

Either party may initiate arbitration of any matter subject to arbitration by filing a written demand for arbitration at any time. Patient shall be entitled to an in-person hearing in his or her county in accordance with the Federal Arbitration Act. The arbitration shall be administered by JAMS pursuant to its Comprehensive Arbitration Rules and Procedures and Minimum Standards of Procedural Fairness, and all parties agree to be bound by the arbitrator’s decision. Any decision by the arbitrator(s) shall be accompanied by a reasoned opinion. Judgment may be entered on the arbitrator’s award, if any, by any court having jurisdiction of the subject matter.

All parties agree that their relationship affects interstate commerce and that this Agreement shall be governed by the Federal Arbitration Act, and, if not, by Mississippi law. The party requesting arbitration shall bear all costs of the arbitration, except the Patient is not required to pay any more than \$125.00, with Gastrointestinal Associates and Endoscopy Center bearing the other arbitration costs.

This Agreement may be rescinded by written notice by either party within fifteen (15) days of signature. However, any claim or dispute related to medical services rendered after execution of this Agreement and prior to the date of such written notice of rescission shall be subject to the terms of this Agreement. Written notice of such rescission may be given by a guardian or conservator of Patient if Patient is a minor or incapacitated. If any portion of this Agreement is found unenforceable, that portion shall be stricken and the remainder of this Agreement fully enforced. If a court rules that the dispute must be litigated and not arbitrated, Patient agrees the suit will be heard in the county where services are rendered.

**NOTICE: BY SIGNING THIS CONTRACT, YOU ARE AGREEING TO HAVE ANY CLAIM OF NEGLIGENCE OR MEDICAL MALPRACTICE DECIDED BY NEUTRAL BINDING ARBITRATION AND YOU ARE GIVING UP YOUR STATUTORY AND CONSTITUTIONAL RIGHT TO A JURY OR COURT TRIAL.**

If a parent or guardian has signed on behalf of their minor child or ward, such parent or guardian hereby attests that he or she has full legal authority to execute this Arbitration Agreement on behalf of said child or ward. Furthermore, said parent or guardian hereby agrees to indemnify and hold harmless the Clinic from any claim, demand or loss which may occur in the event said parent or guardian does not, in fact, have such legal authority.

A photo static or electronic copy of this authorization shall be considered as effective and as valid as the original.

# PATIENT AUTHORIZATION FORM

## INFORMED CONSENT FOR EVALUATION, DIAGNOSIS AND TREATMENT

I am seeking the diagnostic services, care, treatment, and possible procedures through the providers and the staff of Digestive Health Center. I hereby authorize Digestive Health Center to examine me and render medical or surgical care, as they deem necessary.

When the practice of medicine is carried out with the best intentions, at times the outcomes may be less than optimal with significant adverse events or possible side effects occurring. These include but are not limited to missed diagnoses, missed cancers, failure to determine the correct diagnosis, adverse effects from medications and procedures, loss of normal health, and even the possibility of death. I understand that even when practicing medicine in good faith the physicians and attending staff at Digestive Health Center may perform evaluations and treatments with less than optimal outcomes. This is an understood risk involved in medical care.

\_\_\_\_\_ I consent to individuals not employed by Digestive Health Center be present for educational purposes to observe care rendered to me.

\_\_\_\_\_ I have been informed and understand that this facility is affiliated with a teaching institution, and the procedures performed may require observation, cooperation, and

services of multiple healthcare providers. I authorize residents and/or students to participate in my care as directed and supervised by my gastroenterologist.

\_\_\_\_\_ In the event any individual is exposed to my blood or body fluids, I consent for testing to determine the presence of infectious diseases such as Hepatitis B, Hepatitis C, HIV, etc. The results of these tests shall be confidential.

\_\_\_\_\_ I consent to being enrolled in the E-Prescribe Program, per the Medicare Modernization Act (MMA) of 2003. I agree that Digestive Health Center can request and use my prescription medication history from other healthcare providers and/or third party pharmacy benefit payors for treatment purposes.

\_\_\_\_\_ I have been provided with a copy of "Patients' Bill of Rights and Responsibilities."

## FINANCIAL POLICY AND INSURANCE ASSIGNMENT OF BENEFITS

Digestive Health Center provides services on a fee-for-service basis. The responsibility for payment of fees for services is the direct obligation of the patient. Any financial payment a patient may receive from private insurance or government agencies is a matter strictly between the patient and the insurance carrier or government agency. Our physicians are participating Medicare physicians and do accept assignment on Medicare patients, but any deductible or co-payment is the patient's responsibility. The same responsibility exists for HMOs or PPOs our physicians participate in. Our staff will provide assistance if needed with your insurance inquiries.

Patients seen at Digestive Health Center will receive separate bills from the Physician, the Facility, and any services rendered such as pathology, anesthesia, lab services, and radiology.

The fees for care during hospitalizations or for specialized procedures can be paid on a payment plan. Extra insurance forms, letters to lawyers, etc. will necessitate an extra fee due to additional paperwork and time involved.

As a patient of Digestive Health Center you agree that payment of authorized Medicare, Tricare, or any other insurance benefit be made to the provider of Digestive Health Center for any services furnished by that physician, provider, or facility.

As a patient of our physician, provider, or facility, you authorize any holder of medical information about me to release to the Center for Medicare and Medicaid Services, Tricare, or any other insurance company and its agents any information needed to determine these benefits or the benefits payable to related services.

**Financial Responsibility:** As a patient of my physician, the facility, and any services rendered such as pathology, anesthesia, lab, or radiology services, I understand and agree that if any part of my account is not paid by insurance, I am solely financially responsible.

• Self-Pay patients/legal guardians will receive a bill from Digestive Health Center for healthcare services provided by Digestive Health Center.

- Self-Pay patients/legal guardians will be required to make a minimum deposit at the time of service.
- The patient/legal guardian will be responsible for full payment of charges.
- Digestive Health Center will not bill any insurance plan at a later date if the Patient/Legal Guardian elects to be Self Pay at the time of service.
